

Annual Corporate Governance Report 2013

1 Corporate Governance Practices

Pursuant to the responsibility of the Board of Directors towards shareholders and its duty to protect and promote the value of the shareholders' equity, the management of Dubai Investments PJSC ('DI' or 'the Company') has endeavored to apply the rules and principles of corporate governance set forth in the Ministerial Resolution No. 518 of 2009 in an effective and transparent manner.

A summary of the Company's commitment to apply sound governance rules is reported in the Fifth Corporate Governance report prepared and duly disclosed by DI.

The Board of Directors ('the Board') believes that the driving principles of transparency, fairness, disclosure and accountability to stakeholders have been pivotal to the performance of the Company, its Board, its Senior Management, employees and other stakeholders.

Accordingly, DI further enhanced its existing governance practices through various noteworthy initiatives.

Noteworthy governance initiatives undertaken :

- A. The Board commissioned the Audit Committee to undertake a comprehensive review of the Internal Control System operating model and organisation to ensure full compliance with the Law.
- B. The Board reviewed the adequacy and appropriateness of the Audit Committee Charter and the Nomination & Remuneration Committee Charter.
- C. The Audit Committee reviewed all Charters, Manuals and job descriptions related to Internal Control System for its relevance and adequacy.
- D. The Compliance Function has revised its Compliance Framework and presented its implementation plan to the Audit Committee.
- E. In addition to the annual assurance plans presented by the Head of Internal Control to the Audit Committee, the Chief Risk Officer also presented the Risk Management Functions' annual plan for review and approval by the Audit Committee.
- F. In line with DI's continuing efforts to combat fraud, it has initiated the Amanah program, wherein a dedicated email address is available for internal and external whistle-blowers to report instances of misconduct and/or fraud.

Corporate Social Responsibility Report 2013

CSR Approach

Dubai Investments PJSC is fully committed to its Corporate Social Responsibility [CSR] strategy. Within the scope of this, Dubai Investments plays its part in sustainable development – be it the environmental initiatives or its social and community programs aimed at creating a real impact for a better tomorrow.

One of the pivotal initiatives undertaken by Dubai Investments this year was opening a Day Care Centre and Crèche within its premises for its employees' children – the first-of-its-kind nursery ever by a UAE private sector establishment.

Dubai Investments has achieved commercial success by effectively managing the environmental impact of its business, and has always encouraged a positive impact across its employees and the community with focused programs to improve the economic and social well-being of the stakeholders. As part of this, Dubai Investments undertook over 22 initiatives during 2013.

Apart from this, Dubai Investments was also conferred with top industry quality certifications such as the ISO 14064, as also maintains world-class quality management systems [QMS], Environmental Management System [EMS] and the Occupational Health and Safety Management System [OHSAS] in line with ISO 9001, ISO 14001 & OHSAS 18001 accreditations.

This report covers the four key focus areas:

- Environment stewardship
- Community Development
- Workplace Management
- Marketplace

1. Environment Stewardship

Environment is a key concern for Dubai Investments and the company is committed to continuous improvement on reducing the environmental impact from its vehicles as well as its facilities. Committed to the natural environment, Dubai Investments undertook a number of initiatives throughout the year to educate and encourage the employees and other stakeholders with the opportunities to play their part in saving the environment.

World Environment Day

Dubai Investments celebrated the World Environment Day with a range of activities for the employees and the community. Focusing on Think-Eat-Save, the theme for the World Environment Day 2013, the employees at the Dubai Investments Headquarters were invited to participate in a host of activities aimed at encouraging food-saving habits and increasing awareness of food shortages across the world.

A leading environment welfare group was invited to speak to DI employees on the various methods to build an eco-friendly, sustainable lifestyle, and give back to the planet and society. These included concepts such as 'do-it-yourself' vertical gardening, organic farming and recycling of food products. Employees were additionally given a chance to display their food-management skills through a 10-day-long competition.

Over 3,000 plant saplings were distributed to the schools and residential communities at Dubai Investments Park, in order to promote environmental awareness among children, residents and visitors to the mixed-use development.

ISO 14064 certification

DI House was conferred the prestigious ISO 14064-1: 2006 certification, the first-of-its-kind by the company. The ISO certification is a testament to DI's focus in adopting and implementing best practices towards environment and its commitment for conducting business in a sustainable manner. The certification follows a stringent audit to ensure DI's conformity with ISO 14064-1:2006 requirements.

Emirates Energy Awards

Dubai Investments Park won a special recognition at the 2013 Emirates Energy Award handed over by the Supreme Council of Energy, Government of Dubai for its energy efficiency and sustainability programme. The EEA recognized DIP's integrated sustainable approach which has made it one of the most environment friendly developments in Dubai.

Emirates Float Glass receives certifications

Emirates Float Glass (EFG) was honoured with health and safety certifications for maintaining high environmental standards in its operations. The company was recognized by Specialized Economic Zones (ZonesCorp) and Health Authority of Abu Dhabi (HAAD) for its initiatives aimed to minimize occupational health, safety and environmental impacts and risks. EFG also received the Environmental Performance Card (EPC) from UAE Ministry of Environment & Water for its efforts to encourage greener production models.

Sale of organic plants and seeds

In a step aimed at encouraging organic farming and sustainable gardening, employees of Dubai Investments had the opportunity to buy seeds and samplings from the organic farm of a leading environment group at discounted price. Various organic vegetable saplings, kitchen herbs, soil nutrients were on sale. Experts also answered questions on organic farming on the occasion.

Paper and Stationery Recycling

Dubai Investments is committed to achieving its environment and CSR goals through sustainable practices, as evident in the weekly recycling of newspapers across the entire group, and printing all company-branded literature and newsletters on recycled papers throughout the year. DI also participates in seminars and discussions, aimed at creating a more sustainable environment at the workplace.

E-Waste Recycling

Dubai Investments has continued its initiative to recycle print cartridges and electronic waste by partnering with IndustryRE LLC – a leading sustainable management consultancy firm. The company has installed recycling boxes, and the e-waste and cartridges are collected on a quarterly basis to avoid environmental damage. The e-waste is responsibly recycled and reused back in secondary manufacturing activity. DI has also received certificates for its e-waste recycling achievements.

2. Community Development

Dubai Investments has committed itself to the cause of the community it operates in, and sees this as an essential element of its Corporate Social Responsibility. As part of this, DI has consistently supported various initiatives, events and activities throughout the year to help social organizations and campaigns in their charitable and fund-raising programs. The company's employees also played a pivotal role in contributing to DI's continued association with community events and charity activities.

Ambulance unit

Dubai Investments handed over an ambulance unit to the ambulance station at Dubai Investments Park to increase service capacity of the facility. With the donation from Dubai Investments, the station became self-sufficient, with two state-of-the-art ambulance units to serve the entire expanse of DIP, as well as attend to distress calls from the nearby Sheikh Mohammed Bin Zayed Road, Lehabab Road and Bypass Road. The ambulance personnel report to the Al Manara Centre of Dubai Municipality on Sheikh Zayed Road.

Charity for visually-challenged

Dubai Investments supported the Khorfakkan Club to print the Holy Quran in Braille to benefit the visually-impaired. Dubai Investments also supported the Emirates Association of Blind in organizing a football tournament for the visually-impaired. The company also sponsored specialized computers for the Association.

DHA Health & Safety Campaign

Dubai Investments supported the Dubai Health Authority's campaign 'Dubai Free of Tobacco' to mark the 'World No Tobacco Day 2013' and World Environment Day. As part of the campaign, experts raised awareness on the detrimental effects of smoking and discussed new ways to kick the habit.

CDA Waleef program

Dubai Investments supported the Community Development Authority's [CDA] Waleef program by sponsoring 10 elderly persons. The CDA initiative called 'Sponsor an Elderly' is part of the Waleef home care program for elderly that provides care, protection and focuses on improving their lifestyle, through a number of services and care programs.

Healing Hearts

DI supported the Palestine Children Relief Fund which provides for medical aid to the children. The support was aimed at supporting aid and helping the children living in the war camps, as well as helping disabled and physically restricted children integrate with the rest of their community.

Employee Volunteer Program

As part of its CSR strategy, Dubai Investments PJSC took upon the mantle of supporting the Al Noor Training Centre for Children with Special Needs. The initiative involved painting the classrooms of Al Noor Centre. DI employees put together their time and efforts to paint five classrooms within four hours. The painting of the Al Noor Centre is part of DI's commitment to support children with special needs and the underprivileged sections of the society. Dubai Investments also sponsored the Annual Calendar of the Al Noor Centre.

Student Sponsorship

Dubai Investments also supported a needy student by funding his college tuition fee. Apart from this, DI also supported a student from Dubai Autism Centre.

Ramadan Charity

Dubai Investments supported the Ousha Bint Hussein Centre and Beit Al Khair in organizing special Iftars for the underprivileged during the Holy Month of Ramadan. DI also supported the 'End Poverty. Educate Now' campaign launched by Dubai Cares to boost awareness about the key role education plays in eradicating poverty. In continuation of its support from last year, DI also supported the 'Smile on the Face' campaign, which involved distribution of Iftar meal boxes to over 10,000 labourers at camps across Abu Dhabi, Dubai and Sharjah.

Back-To-School Traffic Safety Campaign

As part of its commitment to the community, Dubai Investments sponsored the Back-To-School Traffic Safety Campaign launched by Dubai Police in September. The campaign aimed at improving awareness on traffic safety among schoolchildren – both on the road as well as the school buses. The campaign focused on making the children aware about road safety, and ways to get on and off school buses and steps to become traffic safety ambassadors.

Pink Ball Breast Cancer Awareness

As part of its support to the breast cancer awareness initiatives, Dubai Investments sponsored the Big Pink Ball annual charity event, organized by Breast Cancer Arabia in October. The event helped raise money for Breast Cancer Awareness Month, and for research initiatives to fight the ever-growing problem of breast cancer.

UAE Talent Search Initiative

Within the scope of its commitment to support the creative talent among the local UAE youth, Dubai Investments sponsored the Talent Search initiative undertaken by the General Authority of Youth and Sports Welfare in November 2013. The Talent Search was a great platform to showcase the skills, expertise and innovations of the UAE youth across various fields and provide them the necessary support to further build their talent.

Beat Diabetes Walkathon

Dubai Investments supported the Beat Diabetes Walkathon organized in Dubai in December. Over 40 employees from DI and its subsidiaries joined the walkathon to raise awareness about diabetes and promote the benefits of a healthy lifestyle. The two-kilometre walkathon was followed by free diabetes blood checks.

3. Workplace Management

Dubai Investments has always offered a healthy, growth-oriented and enjoyable workplace atmosphere. As a major step in this direction, the company has organized a number of events and activities for its employees aimed at educating, raising awareness and building the camaraderie among the staff. The initiatives undertaken were aimed at fostering team spirit and encouraging teamwork in pursuit of corporate objectives and employee growth.

First-of-its-kind Day Care Centre

Dubai Investments has always believed that its true wealth lies in its people and its human capital – the true secrets of its success. As a step towards this, Dubai Investments conceptualized, built and manages a Day Care Centre and Crèche within its premises for the employees’ children – the first-of-its-kind nursery ever by a UAE private sector establishment.

This cradle for the future generation is aimed at fostering a comfortable work environment among the Dubai Investments group employees, in order to boost productivity, stimulate innovation and upgrade skills. The move is also aimed at incentivizing more women to join the DI workforce.

The nursery – which has both indoor and outdoor play area for kids – offers the most modern educational and entertainment equipment and facilities for infants and toddlers. The centre, fitted with all requisite safety features, is also equipped with trained caretakers for child supervision purposes.

Health camp for employees

Dubai Investments, in association with a leading medical centre, conducted a health camp for employees. More than 100 employees attended the camp, and benefited from the free consultations with doctors and physicians from the medical centre. As part of the camp, the BMI, blood sugar and blood pressure levels of the employees were also checked.

RTA Mobility Management Workshop

Dubai Investments, in close coordination with the Roads & Transport Authority [RTA] organized a workshop at the DI House to shed light on its initiatives and programs to boost Mobility Management. The workshop focused on the alternative ways available for DI employees to commute to and from office. Aimed at reducing traffic congestion on the roads and providing alternative means of transport, RTA proposed a variety of programs – from car-pooling to special fleet – to meet the employees’ needs.

National Bonds Savings Program

Dubai Investments organized a workshop with National Bonds Corporation in September to present the Employee Savings Program for DI employees. The workshop provided an overview on the need and the modalities to sign up for the Employee Savings Program; aimed at saving and building wealth to safeguard the financial future.

4. Marketplace

Dubai Investments has always taken upon the mantle to play a supportive role to the community by organizing events and campaigns to educate and support everyone in its stakeholder chain. The company is firm in its commitment to not only adhering to the best standards of business practices but also support every party in the supply chain by unveiling different programs which aims to improve their livelihoods.

Summer Campaign for Labourers

Dubai Investments collaborated with the UAE Ministry of Labour in May to organize an awareness campaign for construction workers at the labour camps in Dubai Investments Park. The campaign educated labourers on best ways to respond to emergency situations such as on-site accidents. The blue-collared workers were also given tips on how to cope with the heat during the summer months. Nearly 2,000 food packets provided by Dubai Investments and beverages by Marmum Dairy Farm were distributed during the session. A popular movie was also screened for entertainment.

Dubai Investments organized a health camp for labourers at Dubai Investments Park in June, where over 400 labourers were monitored for blood pressure, body mass index (BMI) and sugar levels. DI also supported the Ministry of Labour's Mid-Day Break Campaign by distributing Marmum products throughout the period.
